the expectation that such a funding commitment will be forthcoming shall not constitute a binding obligation to make such a commitment. Where the requirement is to be satisfied under a State or local program, or a Federal program not administered by HUD, a funding commitment shall be required from the proper authority.

(c) *Use of sale proceeds to fund replacement housing.* Sale proceeds that are generated under the homeownership plan may be used under some of the replacement housing options under paragraph (a) of this section (*e.g.*, rehabilitation of vacant public housing units, or an eligible local program). Where a homeownership plan provides for sale proceeds to be used for replacement housing, HUD approval of the plan and execution of the PHA–HUD implementing agreement shall satisfy the funding commitment requirement of paragraph (a) of this section, with regard to the amount of replacement housing to be funded out of sale proceeds.

(d) *Consistency with current housing needs.* Replacement housing may differ from the dwellings sold under the homeownership plan, as to unit sizes or family or elderly occupancy, if the PHA determines that such change is consistent with current local housing needs for low-income families.

(e) *Inapplicability to prior plans.* This section shall not apply to homeownership plans that were submitted to HUD under the Section 5(h) Homeownership Program prior to October 1, 1990.

§ 906.17 Records, reports, and audits.

The PHA shall be responsible for the maintenance of records (including sale and financial records, which must include information on the racial and ethnic characteristics of the purchasers) for all activities incident to implementation of the HUD-approved homeownership plan. Until all planned sales of individual dwellings have been completed, the PHA shall submit to HUD annual sales reports, in a form prescribed by HUD. The receipt, retention, and expenditure of the sale proceeds shall be covered in the regular independent audits of the PHA's public housing operations, and any supplementary audits that HUD may find

necessary for monitoring. Where another entity is responsible for sale of individual units, pursuant to § 906.7(b), the PHA must ensure that the entity's responsibilities include proper record-keeping and accountability to the PHA, sufficient to enable the PHA to monitor compliance with the approved homeownership plan, to prepare its reports to HUD, and to meet its audit responsibilities. All books and records shall be subject to inspection and audit by HUD and the General Accounting Office (GAO).

§ 906.18 Submission and review of homeownership plan.

Whether to develop and submit a proposed homeownership plan is a matter within the discretion of each PHA. A PHA may initiate a proposal at any time, according to the following procedures:

(a) *Preliminary consultation with HUD staff.* Before submission of a proposed plan, the PHA shall consult informally with the appropriate HUD Field Office to assess feasibility and the particulars to be addressed by the plan.

(b) *Submission to HUD.* The PHA shall submit the proposed plan, together with supporting documentation, in a format prescribed by HUD, to the appropriate HUD Field Office.

(c) *Conditional approval.* Conditional approval may be given, at HUD discretion, where HUD determines that to be justified. For example, conditional HUD approval might be a necessary precondition for the PHA to obtain the funding commitments required to satisfy the requirements for final HUD approval of a complete homeownership plan. Where conditional approval is granted, HUD will specify the conditions in writing.

§ 906.19 HUD approval and PHA–HUD implementing agreement.

Upon HUD notification to the PHA that the homeownership plan is approvable (in final form that satisfies all applicable requirements of this part), the PHA and HUD will execute a written implementing agreement, in a
